BUY MORE AND SAVE

BUY 5 or more – SAVE 20%*

Starting at 24⁹⁹ / No. 1, No. 2, No. 3 pot

*Sale applies to Green Mountain, Green Gem, Green Velvet & Green Mound Boxwood varieties. No. 1, 2, 3 pots only. Larger sizes and specialty boxwoods such as cones excluded. Discount applies to regular price. Product guarantee is valid for product planted in the ground only.

Boxwood adds structure and form to your landscape design with year-round, deep green colour.

All Sheridan Nurseries boxwood is locally grown on our farm in Glen Williams, Ontario. We grow, pot and prune them with the utmost care for a full consistent shape.

BOX TREE MOTHS CAN BE EFFECTIVELY CONTROLLED IN THE HOME GARDEN.

It is good practice to regularly inspect boxwood plants from May to September to ensure they are not showing signs of unwanted visitors.

To keep Boxwood free of box tree moths, we recommend applying BTK within 3 weeks of planting with follow-up treatments in 6-week intervals throughout the growing season.

BTK is a biological insecticide that controls caterpillars including box tree moth caterpillars, tent caterpillars, and gypsy moth caterpillars. Simply mix the concentrate with water and spray on vegetables, fruit, trees, and ornamentals.

Plus, when you buy boxwood from Sheridan Nurseries, your investment is protected by our never stop growing guarantee.
